My name is Ron Piggott. I am 32 years old and live in Belleville, Ontario.

While attending Bible College I started an Internet ministry. As part of my ministry I share a *Verse of the Day* e-mail list with the body of Christ. The focus of this once daily e-mail is to bring hope and encouragement to the people who subscribe, while looking to Jesus as the foundation of life.

I have spent time during 2009 praying for and taking steps to see this list grow. The reason for my letter today is to request your facility display the attached *The Verse of the Day* flyer.

The Verse of the Day home page is <http://www.TheVerseOfTheDay.info> and will show you what the daily e-mail is all about. The web site includes a mission statement, past issues and information on how to subscribe. Subscription is free of charge for those who are interested in this devotional resource.

Thanks for your help in getting the word out.
