Words Used And Their Definitions - Continued

God

His name in Hebrew is YHVH, often pronounced as Yahweh or Jehovah; Only deity worshiped by the Israelites; Main person of the Godhead in the Trinity

Gomorrah

Was destroyed by burning sulfur. The area in which these cities are said to be located near the Dead Sea is filled with a type of sulfur that burns purple. See Genesis 18:16-19:29

High Priest

All priests were descendants of Aaron when God created the priesthood and chosen by God to serve man in all things pertaining to God that he might offer both gifts and sacrifices for sins (see Hebrews 5:1) The High Priest was the only one who could go behind the curtain that separated the holy of Holies from the holy place in the temple. He could only do that one time per year and he had to follow strict guidelines while in there.

Honey

A yellowish liquid made from nectar by bees

Maidservant

A female slave or servant

Mercy

God offers it to us through sending His only Begotten Son to pay for all our sins and making us part of His family and given inheritance through Him. Our sinful nature deserves to be eternally separated from God forever in Hell; God will only accept a blood sacrifice to cover sins and in the Old Testament only a perfect lamb was accepted. Then God sent His very own Lamb and now that is the only sacrifice required and accepted for the payment of sins.
